Rockhaven is situated in the centre of the village of Alton, approximately 1 mile from Alton Towers. We have on site parking.

We have 1 guest room which can be used as a double, twin or family room. The room consists of 1 double bed and adult sized bunk beds.

Our accommodation, which is en-suite with toilet, shower and basin (towels are provided) also has T.V and tea/coffee making facilities. We are very serious about NO SMOKING in our home at any time and it is important that those who stay with us understand and accept this rule.

Because we are a very small concern, we do not accept cards and ask for cash on arrival.

We serve breakfast between 8 and 9am. There is a choice of cereal, orange juice, toast, tea or coffee and a full English or Vegetarian main course.

Please vacate the room by 10 – 10.30am daily and be in before midnight. We like our guests to have a good nights sleep either before or after a very busy day at Alton Towers and hope you will enjoy your stay in our home.
